# Long-term support for seafarers

# A new home for seafarers in Port Hedland

- PPA acquired property at 3 Richardson Street in December 2020 – ideal site for new fit-for-purpose Seafarers' Centre;
- Building will be demolished and a new Centre built;
- Demolition tender issued early August;
- Aim is to have the existing building removed prior to cyclone season.

# A new home for seafarers

## (cont'd)

- Ongoing discussions with Port Hedland Seafarers' Centre and potential funding contributors;
- An opportunity for industry and other interested parties to be part of the development;
- Concept designs underway to be shared with project partners.
